## Madhya Pradesh

Madhya Pradesh SKNS project was received from S-ILF to run their livelihood project by growing and selling vegetables in Champa's third Para Colony, in which these people are still doing their work. When the corona virus is locked down at the time of this crisis, the life of 40% of the people here is dependent on begging.

While the people here need the most help, but after not getting any help in any way, 7 women of this project thought to help the colony themselves and collected 12 kilo rice and 1000-rupees from their homes. All of them helped as much as possible by distributing rice, lentils, green vegetables, oil, soap, surf on behalf of the beggars and daily wage laborers.

RSS provide foods and ration to 6 families at Gareeb khana kushtha ashram. The Corona relief kit to distribute by Moyara Saariya to Ram Avtar kushtha ashram Indore. There are 20 families got this benefit as Ration and vegetables.

## Bihar

BDO Chandan Kumar distributed food grains among patients in Kasturba leprosy colony and adhikansh leprosy colony patients are very happy to get food grains during lockdown. APAL Sumutthan state committee members with their hard efforts the Bihar government donated get Ration and vegetables with Rice, Dal, Oil etc. to

- Ram nagar kushth colony, Patna 2 time food dented

### Delhi

RWA leprosy complex Tahirpur, Delhi Secretary donated corona relief kit with ration and vegetables, Rice, Dal, Oil etc., to the members. 100 families get ration for Government.

### Jharkhand

St.Nirankari Mandal: Provided Ration (5kg. Rice ,5 Kg. Atta ,1 kg Dal , Soap -1 and oil ½ kg) to 18 leprosy colonies in Dhanbad and two colonies of Bokaro .The volunteers of St. Nirankari distributed the materials to the people of colonies with strict social distancing .

CIA and IIT ISM: with the effective coordination of Director SILF Dr.Vineeta Shanker , CIA joined hand with IIT ISM Dhanbad and distributed ration in nine leprosy colonies of Dhanbad and two colonies of Bokaro District .

Items distributed: Atta Sacks, potato sacks, soap and oil packets has been distributed in maintained colonies

### **CARMEL SCHOOL DIGWADIH**

The State Leader Mr.Zainuddin and committee members had approached to the principal of carmel school Digwadiah and discussed about our colonies people and their pathetic condition during this lock down period. She heard everything with patience and ordered in grocery shop to buy Rice -50 Kg, Atta- 50 kg and 50 Kg cooking oil. The received materials distributed in four colonies Ballugadda colony, New Durgapur ,Bankati Colony and in Asha Vihar Jharia .

Ranchi & Ramgarh: One of religious sisters group has been continuously supporting at Indra Nagar colony Ranchi with food at colony itself and people of Nirmala colony Ranchi also received dried ration from local people. Ramgarh colony people received dried ration (5 kg Rice. 5 kg Atta, oil and masala) from D.C Office.

### **Received from Government department**

- Government :PDS : resident of colonies received two months ration from PDS mainly rice & wheat
- Pension holder has received two months amount @ 1000 each month .
- Few Majdoor Card holders received Rs.2000 /-

**Remarks :** The condition during second lock down period is worst than first because during the first lock down organizations were coming to help in the colonies but it comes to almost nil during second lockdown phase .

Finally I must thanks a lot to all the organization who has come forward to help us in the colonies and hope that in future they will support us in need .

## **2. Report on activities of the Indian Central Government and States/UTs related to leprosy control that you have learned about while conducting duties as APAL President Mr. Narsappa.**

**During the month there is no activity in Central/ State Government program due to Lock down covid 19 corona virus**

### **3. Key findings which are important for SHF work**

- a. To be Concentrated Advocacy on RPWD Act and Supreme Court should be expanded to some more states.
- b. APAL to organizing more coordinated activities with other disabled sectors like DPI & NCPEDP.
- c. Regular meeting of youth leader & women empowerment programmes should be budgeted and organized.
- d. To form women empowerment among colony women

### **4. Difficulties/Challenges you faced during the period**

There is no APAL activates are not carried over due to lock down. The colony leaders are concreting on corona relief work. They are contact government official to get vegetables and ration things to live people without any problems

#### **Challenges:**

During this period our main motto is free from Corona in worldwide and especially India.

We must follow government instruction.

We pray for those who are working in hospital, Doctors, Nurses and paramedical staff

**V. Narsappa.**
