2. Report on activities of the Indian Central Government and States/UTs related to leprosy control that you have learned about while conducting duties as APAL President Mr. Narsappa.

During the month there is no activity in Central/ State Government program due to Lock down covid 19 corona virus

3. Key findings which are important for SHF work

- a. To be Concentrated Advocacy on RPWD Act and Supreme Court should be expanded to some more states.
- b. APAL to organizing more coordinated activities with other disabled sectors like DPI & NCPEDP.
- c. Regular meeting of youth leader & women empowerment programmes should be budgeted and organized.
- d. To form women empowerment among colony women

4. Difficulties/Challenges you faced during the period

Difficulties

There is no APAL activates are not carried over due to lock down. The colony leaders are concreting on corona relief work. They are contact government official to get vegetables and ration things to live people without any troubles

Challenges:

During this period our main motto is free from Corona in worldwide and especially India.

We must follow government instruction.

We pray for those who are working in hospital, Doctors, Nurses and paramedical staff

V. Narsappa.
